

## **CEIAG - Useful Websites**

### **Students**

As well as using UNIFROG the following websites are just a small selection of useful sites:

- 1) <https://icould.com/>  
A good website to help you link your strengths at school with potential careers.
- 2) <https://nationalcareersservice.direct.gov.uk/job-profiles/home>  
Useful for researching a specific career.
- 3) [www.plotr.co.uk/](http://www.plotr.co.uk/)  
For careers in Transport/Engineering.
- 4) <https://successatschool.org/careerszones>  
Explore careers, top employers, latest jobs, courses and advice.
- 5) <https://www.prospects.ac.uk/jobs-and-work-experience/job-sectors>  
Information for graduate jobs all sectors.
- 6) <http://www.mathscareers.org.uk/career-profiles/>  
Career profiles with maths, science, and engineering.
- 7) <https://www.goconstruct.org/construction-jobs/career-explorer/>  
Careers in construction.
- 8) <https://www.healthcareers.nhs.uk/explore-roles>  
Careers in healthcare.
- 9) <https://www.apprenticeships.gov.uk/>  
Apprenticeship information & vacancies.

### **Parents/Carers**

We understand parents/carers can often find it daunting supporting their child with finding their future career. Whilst there are lots of websites out there to help your children make informed choices, these websites are specifically designed to help you support your children in their careers education.

- 1) <http://www.careersadviceforparents.org/p/free-expert-advice.html>
- 2) <http://www.parentadviser.co.uk/advice-for-parents.aspx>
- 3) <http://www.parentalguidance.org.uk/>
- 4) <http://www.insidejobs.com/career-exploration-for-teens.pdf>
